# Mindmap Settings

The screenshot displays a mind map editor interface. A central orange circular node labeled "Test" with a small flag icon is connected to six green rectangular nodes. Three nodes are on the left and three are on the right. A "Mindmap Settings" panel is open on the left, featuring a "Mindmap Name:" label, a text input field containing "Test", and a "Delete Mindmap" button. The bottom of the interface has a toolbar with six icons: a gear for "Edit Mindmap", a pencil for "Change Color", a flag for "Change Icon", a minus sign for "Remove", a plus sign inside a square for "Add Sibling", and a plus sign inside a circle for "Add Child".
